**For Immediate Release**

**Embrace the ‘Joy of Juggling’ at Library Program for Kids**

**Rapid City, SD – November 17, 2008** – If a no-school day rolls around in Rapid City, you can bet there’s something fun for kids being planned at the Rapid City Public Library. The library offers ‘No School Discovery Days’ to give kids something interesting to get involved in and the next one is all about juggling. Kids will make their own juggling balls out of balloons and other materials (all supplies provided by the library) and then they’ll learn to juggle! Lots of fun and laughs are in store as everyone tackles this important life skill! A special guest, Dr. Phil Ahrenkiel from the South Dakota School of Mines and Technology, will serve as juggling demonstrator.

The program takes place Monday, December 1<sup>st</sup> from **1:00-2:30 a.m. at the North library** (10 Van Buren Street – in General Beadle Elementary School) or from **3:00-4:30 p.m. at the Downtown library** (610 Quincy Street).

This program is designed for school age children and no registration is necessary.

*The Rapid City Public Library has served the Rapid City area since 1879, and now has two locations, the downtown library at 610 Quincy Street and the north library within General Beadle Elementary School at 10 Van Buren St. Both offer print and electronic resources for adults, young adults and children as well as computers and Internet access and a variety of programs and events. In March 2008, USA Today named the Rapid City Public Library’s downtown library as one of the nation’s 10 greatest places to “Find a Nook and Read a Book.”*
