Discover South Dakota Wildlife at the Library

Rapid City, S.D. – Jan. 18, 2010 – Do you know how a deer’s hide feels or what a coyote’s tracks look like? Learn about these animals and more at the Rapid City Public Library’s No School Discovery day on Monday, Jan. 25.

Game, Fish and Parks naturalist, Laurie Root, will be at both libraries to teach children about South Dakota wildlife. She will talk about different animal habitats and share several animal hides. Children will also get to participate in a hands-on animal print activity.

This No School Discovery Day takes place at the downtown library from 9:30 to 11 a.m. and the north library from 1 to 2:30 p.m.

Find out more about library resources, services and events at www.rapidcitylibrary.org.

###

The Rapid City Public Library has served the Rapid City area since 1879, and now has two locations, the downtown library at 610 Quincy Street and the north library within General Beadle Elementary School at 10 Van Buren St. Both offer print and electronic resources for adults, young adults and children as well as computers and Internet access and a variety of programs and events. In March 2008, USA Today named the Rapid City Public Library’s downtown library as one of the nation’s 10 greatest places to “Find a Nook and Read a Book.”
