The Rapid City Public Library has served the Rapid City area since 1879, and now has two locations, the downtown library at 610 Quincy Street and the north library within General Beadle Elementary School at 10 Van Buren St. Both offer print and electronic resources for adults, young adults and children as well as computers and Internet access and a variety of programs and events. In March 2008, USA Today named the Rapid City Public Library's

downtown library as one of the nation's 10 greatest places to "Find a Nook and Read a Book."
